□ THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI RAJESH PILOT) : (a) and (b) As per information made available by the State Government of J&K, various long standing demands of Kashmiri migrants have been considered and the following decisions have been taken in this regard : —

(i) the displaced employees are being paid the salary they would have received but for their displacement, and the leave due to them at the time of migration is not being adjusted against the period of migration.

(ii) Efforts are being made to utilise the services of the migrant employees in a useful manner. In view of their large number and limited avenues of absorption in offices outside the Valley, it is not possible to adjust all of them in such positions.

(iii) A large number of migrant employees have been provided tented/one room tenements, accommodation free of rent including supply of water, power etc. The payment of House rent and CCA has not been agreed to by the State Goverment.

(iv) The State Government has considered the question of payment of dislocation allowance to migrant employees and has not found this acceptable.

(v) Unemployment problem including those of migrants is a state-wide phenomenon. They are being considered for posts in different cadres on merits in competition with persons.

(vi) Educational facilities are being provided to the migrant students and every effort is made to ensure regular conduct of their studies and examinations. 9 camp schools and 3 camp colleges have been opened in Jammu for migrant students. Kashmir University also runs a sub registry in Jammu. Difficulties regarding timely holding of examinations etc., are being regularly re viewed and action being taken to ensure a regular schedule.
